Plan Sponsor:	Coventry/Aetna Medicare Part D	Geographic Area:	National
Effective Date:	<u>Jan. 12, 2015</u>		
Announcement:	<p>If your pharmacy is a Non Participating provider in the Aetna/Coventry 2015 Standard or Standard Preferred networks, you will be able to TEMPORARILY process claims for certain Coventry Medicare Part D members at Premier Preferred in-network reimbursement rates starting <u>Monday, Jan. 12, 2015.</u></p> <p><u>The effective date of this temporary transition will be Jan. 1, 2015.</u></p> <p><u>Standard Network</u> Coventry Medicare Part D claims associated with this network should successfully process starting Jan. 12, 2015.</p> <p><u>Standard Preferred Network:</u> During the temporary transition period, non-participating providers will be able to process claims for Coventry Medicare Part D members associated with the Standard Preferred network in weekly transition phases through January/February and thereafter.</p> <p>This TEMPORARY Medicare Part D network transition will not impact the ongoing contracting process for the Standard or Standard Preferred Network, and you will continue to receive separate communications concerning the status of your agreement. If you have previously requested network access via our pharmacy network mailbox (PharmNetwrkSrv@Aetna.com), we are continuing to process those requests.</p> <p>Aetna's goal with this temporary transition is to ensure members can easily access the drugs they need at Aetna's network pharmacies.</p> <p>Please look for continuing updates. We will keep you informed, including providing the date when this temporary access will end.</p> <p>If there are any questions regarding this communication, please contact our pharmacy network mailbox: PharmNetwrkSrv@Aetna.com</p>
