Dear Dr. Shogbon Nwaesei:

On behalf of the Board of Regents and members of the American College of Clinical Pharmacy, it is my distinct pleasure to inform you that you have been selected as the 2023 recipient of the ACCP Education Award.

This award recognizes a College member who has made substantial and outstanding contributions to clinical pharmacy education at either the professional or postgraduate level. The ACCP Education Award will be presented during the Awards and Recognition Ceremony at the 2023 ACCP Annual Meeting in Dallas, TX, on **Sunday, November 12**, at 9:00 a.m. In accepting your award, we ask that you prepare some brief (no more than 5 minutes) acceptance remarks.

In addition to a handsome plaque to commemorate your award, it will be our pleasure to provide you with complimentary registration for the Annual Meeting and a \$500 honorarium, which you may use to support travel to the meeting or for any other chosen purpose. A complimentary meeting registration form will be sent to you later this summer.

Your sustained work and leadership in clinical pharmacy education at both the professional and postgraduate levels is truly commendable and has set a high standard for other educators nationally to emulate. We can think of no individual more deserving of this award. Congratulations!!

Sincerely,

Michael S. Maddux, Pharm.D., FCCP  
Executive Director
