Wellstar Gynecologic Oncology

Steven Thacker, MD

Associate Chief Medical Officer
Memorial Health Medical Center

Target Audience:

This educational activity is designed to meet the needs of practicing physicians, nurses, pharmacists and other healthcare providers in the fields of; family medicine, obstetrics and gynecology, oncology, otolaryngology, and pediatrics.

Educational Objectives:

- Describe the role of pharmacists in increasing community access to the human papillomavirus (HPV) vaccine.
- Understand the impact of the COVID-19 pandemic on Adolescent and Childhood Recommended Vaccination Rates
- Explain the physical and emotional toll that cervical cancer has on its victims and families.
- Identify three evidence based strategies to increase HPV vaccination rates in their practices.

Continuing Education:

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education through the joint providership of Piedmont Healthcare and Cancer Pathways. Piedmont Healthcare is accredited by the Medical Association of Georgia to provide continuing medical education for physicians.

Piedmont Healthcare designates this live activity for a maximum of **1.5 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Piedmont Healthcare is an approved provider of nursing continuing professional development by the South Carolina Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

Georgia Society of Health-System Pharmacists is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. Participants of the session who complete the evaluation and provide accurate NABP e-Profile information will have their credit for 1.5 contact hours (0.15 CEU) submitted to CPE Monitor as early as 14 days after the event and no later than 60 days after the event. Please know that if accurate e-Profile information is not provided within 60 days of the event, credit cannot be claimed after that time. The participant is accountable for verifying the accurate posting of CE credit to their CPE Monitor account within 60 days.
